BIBLE INSTITUTES

The Bible Institute is an exciting opportunity for believers to learn about what they believe, for teachers to teach more effectively, for preachers to master the skills of good preaching, for those with a heart for the unsaved to learn more about missions and evangelism.

The Bible Institute can also help church leaders develop a spiritual approach toward their responsibilities, and can equip counselors to learn Biblical principles and methods to better help people.

The Bible Institute is designed to help train today's Christian for more effective service.

Biblical Doctrine

We believe in the verbal inspiration of the Bible, the deity of Christ, His virgin birth, His blood atonement, His bodily resurrection, salvation by grace through faith in Christ and the bodily return of our Lord Jesus Christ to set up His eternal kingdom.

Higher *Christian* Education in *Your* Church

Available for use in classroom setting or distance learning!

Overview

Starting your own Bible Institute will be simple using the step-by-step guidelines found in your **Launch Kit**. Customized brochures are available to describe your Institute's program and policies. Student application forms, imprinted with the name of your Institute, make it easy to enroll students.

Traditional Classroom Format

Classes usually meet for about an hour each week during a 6-week term. The pastor/teacher (who serves as instructor) will present a lecture and then assign several pages to be completed in the student workbook. Courses also require two or three brief review quizzes. Course grades are determined by attendance, along with workbook and quiz scores.

Distance Learning Format

Pastor/Teacher can conduct a distance learning school from the church. Students study at home then gather weekly or monthly to share what they have learned. The teacher becomes a discussion facilitator for the student group. Subsequent group meetings start in prayer and worship followed by a pastor-led devotional. Students share what they have learned in their course. (Students need not take the same course) Students who share will gain valuable teaching experience. And listening students will be learning through these discussions.

Excellent Curriculum

Students will use excellent Christian workbooks and text material. Everything is provided for you by *Bible Institutes*. They will gain a foundational understanding by completing the workbooks. Students can acquire the pastor's view of ministry and have their thinking stimulated by his insights. And the local church will benefit as students use what they learn to gain practical experience. Students will soon begin displaying signs of spiritual maturity as they increase their knowledge of Bible principles.

"Teaching them to observe all things whatsoever I have commanded you"

A Great Opportunity

I hope you have been challenged to start your own Bible Institute through Patriot Bible University. This is a program that will bring new excitement to your ministry. As your people learn the Word, you will see growth in their lives that will be a blessing to all.

As you train an army for the Lord, you will have new troops to command in helping with the ministry. It will literally lighten your workload.

You aren't required to obligate your people for another night away from home. Your classes can be held during the Sunday School hour, or prior to the evening service. Some have found that classes right after the prayer time bring new interest to the midweek service.

Our church has offered these classes for about 15 years, and we believe you will benefit from them as we have. Help your teachers to get their degree, train your own preachers, develop spiritual leadership in your deacons...all through your own Bible Institute.

I encourage you to prayerfully consider this opportunity!

GENERAL BIBLE COURSES

GB 101W - **Basic Bible Doctrine**

Is it time to get “back to the basics”? This course covers important Bible doctrines including the attributes of God, the person and work of Christ, the ministry of the Holy Spirit; and teachings regarding man, Satan, angels, the church, and end time events. Added emphasis on Christian living. No matter how long you’ve been a Christian, we believe you will learn much from this course. Every believer should have a working understanding of these core doctrines.

GB 105W - **Humility**

“Humble yourselves therefore under the mighty hand of God, that he may exalt you in due time” (1 Peter 5:6). The Lord desires to exalt you! And He will, after your natural pride is replaced with His supernatural humility. In this crucial course, Andrew Murray and others provide great insight from God’s word on the pivotal ingredient of true Christianity.

GB 201W - **Surviving an Economic Meltdown**

How can I survive the current financial crisis in our nation? People are getting laid off, many are losing their homes, investments have gone up in smoke. Does the Bible have anything to say about this? This course is for anyone entangled (or about to be) in an economic meltdown. Know this; priceless treasure is within your reach. And with it, liberating joy. Discover a joy more precious than gold. Learn practical and spiritual strategies for you and your friends. Jesus has given us the treasure principle. Unearth it.

GB 202W - **Key Words of the Christian Life**

A doctrinal word study based on the work of Warren Wiersbe covering such topics as justification, adoption, regeneration, propitiation, imputation, sanctification, reconciliation, redemption, intercession, mediation, predestination, and glorification. This course is designed to deepen the student’s walk with Christ.

GB 205W - **Present Labor & Future Rewards**

When will we be judged? How does God chasten believers? Is sickness a result of sin? What kind of rewards will believers receive? How can I be sure of receiving a Crown? This course answers questions like these, as well as others frequently asked about future judgment and preparation for it. Based on the research of Theodore H. Epp.

GB 222W - **Bible and Prayer**

A rewarding study about prayer in the life of the believer. Includes 30 aspects of prayer such as: the purpose of prayer, the preparation for prayer, the power of prayer, private prayer, public prayer, and the perfect prayer. Added emphasis from the pen of Dr. R.G. Lee. This course consistently receives high reviews from Patriot students.

Church Bible Institutes have found that the unchurched will often come to a class before they will attend church services.

Group Study Course Descriptions

GB 301W - **Bible Times and Customs**

Knowing Oriental manners and customs is basic to understanding the Bible. This course deals with subjects such as customs at mealtime, education of youth, trades and professions, customs regarding marriage and property, along with many more.

GB 405W - **Christian Warfare**

The Christian life is a warfare, not a picnic. We're called to be soldiers, and this course identifies our enemies, shows how we should fight, and describes the conditions for victory. Authors and prayer warriors E.M. Bounds, J.Vernon McGee, and Roy C. Putnam share Biblical teachings on the Christian's most potent weapon - prayer. If there is one area where all Christians need to improve, it is prayer.

GB 412W - **God's Wonderful Promises**

A valuable study of God's promises for personal strength, daily provisions, Divine protection, and inner peace. This course also utilizes *The Bible Promise Book* which contains more than 1,000 promises from the Bible.

OLD TESTAMENT

OT 203W - **Book of Ruth**

J.Vernon McGee leads this study on the Romance of Redemption. Is there any more memorable statement of faith than Ruth's "...thy people shall be my people, and thy God shall be my God."? This woman of faith lost her husband and came out of the idolatrous land of Moab only to be remarried to Boaz. We have much to learn from this ancestor in the line of Jesus our Lord. Redemption is only possible through a Kinsman-Redeemer. The student will gain a fuller appreciation of our Redeemer - Jesus Christ.

OT 205W - **Book of Nehemiah**

It has been said, "If every Christian would study and follow the inspiring example of Nehemiah, surely we would enjoy a genuine, refreshing revival of faith and morality". The Book of Nehemiah abounds with wisdom for church policies and guidance. Nehemiah's leadership serves as a Biblical primer to anyone aspiring to places of leadership. The student will learn of Biblical social justice, the call to national repentance, and how righteousness exalteth a nation. A 2400 year old lesson that has never been more needed in our nation's history.

OT 314W - **Psalms 23**

Shepherd Phillip Keller shares his insights into the life and character of sheep—and of the Good Shepherd who loves and cares for them. David, the "Shepherd King" and son of a shepherd, wrote Psalm 23 from humble origins with teaching couched in rural terms. Today's urban city dweller is often unfamiliar with David's physical illustrations which relate spiritual truth in this most beloved Psalm. This course is sure to open the student's understanding of Psalm 23 like never before. Oliver B. Greene and Robert S. Peterson round out the instruction in this much appreciated course.

Your church should experience the creation and growth of new leaders as they progress through these courses.

Group Study Course Descriptions

OT 315W - **Book of Proverbs**

“Proverbs are short sentences drawn from long experience.” This is one of the many profound insights J.Vernon McGee offers in his commentary on the book of Proverbs. During this study you will gain the tools of interpretation needed to dig out the spiritual treasures of God’s wisdom found in Proverbs. The diligent student is given a promise from God to understand the fear of the Lord and find the knowledge of God

OT 431W - **Minor Prophets**

God used the Minor Prophets as His voice to their generation. The lives and messages of these 12 prophets provide some of the Bible’s most colorful stories. As each prophet received revelation from God, they were bound by a compelling burden to deliver their message—come what may. Often, their very lives became the message. From being swallowed by a great fish to being told by God to marry a prostitute to prophesying the coming Messiah, the Anti-Christ, and the End Times—God spoke through these men.

NEW TESTAMENT

NT 131W - **Gospel of Mark**

J.Vernon McGee is quoted as saying, “There is probably more content in the first chapter of Mark than any other chapter in the Bible.” Mark reveals that in spite of Jesus’ busy life, He took time to pray. This verse by verse, chapter by chapter exploration spans Mark’s recounting of the prophecies of Isaiah and Malachi through John the Baptist ending with the Resurrection of Jesus. Have you studied this Gospel?

NT 133W - **Jesus, the Vine**

Are you ready to break through to the abundant life? Do you want to experience the joy of making maximum impact for God? The key is found in learning to abide in Jesus, the True Vine. This study from John 15:1-16 explores the teaching of our Lord on the vine and the branches. Discover the fullness of God’s merciful lovingkindness and the blessings of a fruitful life through timeless truths presented by Bruce Wilkinson and Andrew Murray.

NT 205W - **Christ’s Words from the Cross**

This unique and rewarding study discusses the seven utterances Christ spoke while on the Cross. Russell Bradley Jones and Warren Wiersbe have researched them in-depth and present them here. Each utterance of Christ is packed with meaning and purpose. These last words were not the cry of a defeated victim, but the proclamation of a triumphant Victor.

NT 221W - **Book of Revelation**

A captivating study of future events as portrayed in the greatest book of prophecy including the rapture, great tribulation, millennium, Great White Throne Judgment, and the new heaven and earth. This course takes a pre-tribulation and premillennial viewpoint. God promises a special blessing for those who read, hear and treasure the words found in the Book of Revelation. The world has never been closer to these end time events. Are you ready?

Group Study Course Descriptions

NT 316W - **Colossians**

The All-Sufficient Christ by Theodore Epp illuminates the spiritual truths that are packed into the book of Colossians. Often overlooked because it is relatively short, Colossians demonstrates that Christ is all a Believer needs. This course emphasizes not only Biblical doctrine, it refutes false teaching and shows the Christian how to live based on sound doctrine. The student will gain a greater realization of what the Bible means when it says, “Christ in you, the hope of glory” (Col 1.27).

NT 401W - **Book of Philippians**

“For to me to live is Christ, and to die is gain” is Paul’s fully surrendered statement of faith. Theodore Epp and J. Vernon McGee discuss how Christ is preeminent in all things and how we can see Him as our life, our mind, our goal and our strength.

NT 402W - **Seven Churches of Revelation**

The last word of our Lord to the church is not the Great Commission. Rather it was “Repent”. This course is a Message on Revival. Indeed, five out of the seven churches were called to repent. Jesus’ admonition of repentance is purposed towards overcoming backsliding. He promises divine rewards for he that overcomes. The minister will find much insight for individual and corporate revival. Today’s church does well to heed the advice given to the Seven Churches of Revelation.

NT 406W - **1 & 2 Thessalonians**

In this course, Warren W. Wiersbe shows how a study of 1 and 2 Thessalonians provides both prophetic and practical lessons. The focus in these books is not on what the return of Jesus Christ will mean to us in the future. Rather, it is on how this subject can be a dynamic in our lives and in the ministry of our churches today

CHRISTIAN EDUCATION

CE 111W - **Character Development**

Dr. Bob Jones, Sr. said, “Your character is what God knows you to be; your reputation is what men think you are.” Abraham Lincoln put it this way: “Character is like a tree and reputation is like its shadow. The shadow is what we think of it; the tree is the real thing.” This dynamic study concentrates on the Biblical attributes, attitudes, and actions of a maturing Christian; and how one may obtain them. *One of Patriot’s best-loved courses.*

CE 201W - **Spiritual Power in Teaching**

The Holy Spirit is vitally involved in Christian education. His involvement distinguishes Christian teaching from secular teaching. Based on Roy B. Zuck’s classic examination of the teacher’s “spiritual Teammate” and how to cooperate with Him for successful teaching. “Not by might, nor by power, but by my Spirit, saith the Lord of Hosts”. Zechariah 4:6

Group Study Course Descriptions

CE 321W - **Christ, the Teacher**

In every respect Jesus was the ideal teacher. He presented unique teaching that caused people to recognize something was different. This course delivers an analytical study of teaching techniques used by Jesus. Learn how Jesus used the lecture method, how He captured interest, used illustrations and paradoxes, even asking questions, making commendations and rebukes, that produced disciples.

CHURCH MINISTRIES

CM 101W - **Spiritual Leadership**

Real leaders are in short supply. Churches, people, and groups all search for them. Throughout the Bible God searched for them. The Bible shows us that when God does find a person who is ready to lead, that person is used to the limit. Despite their flaws and shortcomings, they become a spiritual leader. Authors R.A. Torrey and Oswald Sanders expound on obtaining God's power and wisdom as spiritual leaders. Jesus was revolutionary in His teaching on leadership. Do you aspire to the honorable vocation of spiritual leadership? Take this course.

CHRISTIAN COUNSELING

CC 411W - **The Biblical Family**

A church can only be as strong as its homes. A nation's future is largely determined by the present health of its homes. A healthy home is defined by its conformance to Biblical principles. Exactly what is a Biblical family? Dr. Raymond Barber and Charles Spurgeon give the student a timeless message of family as designed by God. Family is the basic unit of society. "...Not only a helpful course to build the student's family...helps equip family counselors..." As the family goes, so goes the church and the nation. The Bible stresses the importance of the family and emphasizes its preservation from one generation to the next. Spiritual parenting is parenting according to God's principles and learned through diligent study of God's Word. Isn't it time we returned to that which worked so well in the past?

EVANGELISM AND MISSIONS

EM 120W - **Personal Evangelism**

"I was pastor of a small church for six years and never personally led anyone to Christ..." Does this shock you? Do you relate to it? Have you missed out on the soul winner's joy? You can have it! This vital study deals with basic concepts, methods and the message of personal soul winning. Learn how to become a successful-soul winner using God's Word to answer difficult questions.

We provide you with a Powerpoint™ presentation that can be used to attract interest from your church members.

Group Study Course Descriptions

EM 411W - **Discipleship Training**

A relevant study for training in discipleship. It includes an investigation of the early church, the process of making disciples, and the elements of leadership training. Special emphasis is also given to the problem of materialism in the life of modern Christians.

CHARACTER STUDIES

CS 302W - **Peter, Paul and John the Baptist**

Do you suffer from a “thorn in your flesh”? Are you effectively resisting Satan? Do you desire to become a more effective witness for the Lord. Would you like to see positive results in your prayers and praise? Learn from these three Bible heroes who were changed by Jesus’ loving touch. They went on to prevail against the powers of darkness and ushered in God’s Kingdom. Learn from F.B. Meyer’s insights into the lives of three great New Testament men of faith.

SCIENCE

SC 208W - **Bible and Science**

Based on research by Henry Morris, this study covers the harmony between science and the Bible, the problem with the theory of evolution, the validity of the flood, Biblical archaeology, and scientific insights into prophecy.

SOCIAL STUDIES

SS 351W - **God in American History**

Is America a Christian Nation? There is much discourse in the public square over this topic. What are the facts? A view of history that proves our American heritage is a Christian heritage. This course shows, based on extensive research, the close relationship between God and the founding and development of our country.

SS 425W - **Church History** (Baptist Viewpoint)

(A unique study of the fascinating men and women who lived and died standing for God’s truth in the development of His churches, from the days of Christ to the modern era.
